Dear Extera Parents and Families,

Some of you may have heard about disruptive activities that occurred at the Extera Home Office this week on Tuesday. A group of people who identified themselves as LAUSD parents and community members protested outside and inside our offices during a meeting of our board of directors. They expressed concerns related to the challenges of co-locating a Charter Public School with an LAUSD school. Although all participants who attended the meeting were given an opportunity to speak before the board, the protestors became very disruptive, and the meeting had to be concluded.

We are working with LAUSD leadership to arrange a more appropriate time and place for a meeting where both LAUSD and Extera parents can have their questions and concerns addressed. Once a meeting is scheduled, we will share that information with you. If you are interested in learning more about the positive impact of public charter schools and how you can be more involved in activities that support Extera, please contact our community relations officer Mary Nájera at (323) 424-8150.

Although the type of incident we experienced on Tuesday can be confusing and upsetting, please be assured that our schools will continue to provide an outstanding public education to your child. We are very proud of the high academic achievement of our students and the quality program that we offer, and we will continue to strive to provide the highest quality public education in the communities we serve.

Thank you for your continued support of our schools.

Best regards,

Dr. Jim Kennedy, CEO

Estimados Padres y Familias de Extera,

Algunos de ustedes talvez hayan escuchado acerca de actividades disruptivas que ocurrieron en la Oficina Administrativa de Extera el martes de esta semana. Padres de la escuela elemental Eastman, acompañados por unos miembros comunitarios, protestaron afuera y adentro de nuestras oficinas durante la junta de la mesa directiva. Padres expresaron preocupaciones relacionadas con retos en compartir un plantel de LAUSD con una Escuela Publica Charter. A pesar que a todos los participantes en asistencia de la junta se les dio una oportunidad de hablar ante la mesa, los protestantes se convirtieron muy disruptivos y la junta tuvo que ser concluida.

Estamos trabajando con el liderazgo de LAUSD para arreglar un tiempo y lugar mas apropiado para una junta donde los padres de LAUSD y Extera puedan tener sus preguntas y preocupaciones abordadas. Ya que la junta este programada, compartiremos esta información con ustedes. Si usted esta interesado en aprehender mas sobre el impacto positivo de las escuelas publicas chárter y como puede involucrase mas en actividades para apoyar a Extera, por favor de comunicarse con nuestra oficial de relaciones comunitarias, Mary Najera al (323) 424-8150.

Aunque este tipo de incidente puede ser confuso y molesto, quédense seguros que nuestras escuelas continuaran proveyendo una educación publica extraordinaria para su hijo(a). Estamos muy orgullosos del alto desarrollo académico de nuestros estudiantes y de la calidad del programa que ofrecemos. Continuaremos esforzándonos para proveer una educación publica de alta calidad para las comunidades que servimos.

Gracias por su apoyo continuo de nuestras escuelas.

Sinceramente,

Dr.
Jim
